

# Questionnaire of Foreign Student

(Male, 13 years old)

1) **Question:** Which country are you from? What part of the country? (North, South,...)

**Answer:** "Syria, West Syria"

2) **Question:** Why did you abandon your country?

**Answer:** "Because of the war"

3) **Question:** Do you intend to stay in Greece or move to Europe? To which country?

**Answer:** "Stay in Greece"

4) **Question:** Would you like to return to your country soon? Are you thinking of returning later?

**Answer:** "Of course, after the war will finish, I will"

5) **Question:** Do you believe your basic needs are met in Greece? (Accommodation, food, freedom of movement, education,...)

**Answer:** "Not all of them"

6) **Question:** Have the life conditions in Greece improved compared to those you faced when you first came to this country? What else would you like to have to make your stay in this country better?

**Answer:** "Yes" (they have) "but there is no work"

7) **Question:** Which educational program are you involved in? Are you satisfied with this program, in regards to your expectations? What else would you like this program to include? Would you like to participate in a program such as the one offered to Greek students?

**Answer:** "They improved, house, money and school". "We need more activities"

8) **Question:** Do you have personal and social contacts with Greeks in your diary? Which ones and how many are these? How do they face you and how do you see them? Do you notice any discreet behavior towards you?

**Answer:** "I have a lot of contacts". "There is no racism". "They are good". No" (discreet behavior)

9) **Question:** What did you know about Greece before you came and what else new arose during your stay hear? Did anything change for the better/for the worse for your opinion on this?

**Answer:** "I had no information before". "Nothing" (new arose here)." It changed for better"
